Nurse Notes

See usd327.org for Nurse Bonnie's Notes specific to each building.

It is hard to believe that as I write this there are only 19 school days left! An enormous amount of time, research, and effort has been put into ensuring that our students stay safe and in school. I am extremely grateful for the teamwork, collaboration, and diligences from parents/guardians, students, and all USD 327 employees. It has been your persistence and resilience that has made it possible. THANK YOU!!!

BOOKFAIR

The BOGO book fair was a GREAT success...there were MANY books bought for teacher's classrooms. A BIG Thank You to the PTO for the books bought for the teacher's classrooms and helping the library sponsor the book fair. We were able to get a "bonus" for having a second book fair and will be able to purchase an additional in books from Scholastic for our libraries at KMS and EES!

BOX TOPS FOR EDUCATION

Traditional Box Tops clips are being phased out of production, but may continue to be found on many products throughout the store. You can still clip them and send them to school.

Every valid Box Tops clip is worth 10¢ for your school. Make sure each one has a clearly visible product acronym and expiration date.

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Tops label.

Use the new Box Tops app to scan your receipt. **Box Tops are still worth 10¢ for your school.** The app will find participating products purchased at any store and instantly add cash to your school's earnings online. Thank you to parents and students for collecting box-tops for us this year AND using the new digital APP. **We've earned some additional money** to help replace and buy new books for the library. **PLEASE** turn in **ANY** box tops you have by May 26th. Many of the 2021 box tops expire on June 1 and we'd like to get them counted and sent in for our count.
