

[CAR REGISTRATION](#)

Please click on the link above to be taken to the Genesis Parent Module website where you can start the process for Car Registration. If your child has passed their driving test and will be driving to school, please note there are two steps to this process:

- 1) Reading the Student Driver Regulation Form – this document has all of the rules and procedures.
- 2) Completing the Student Driving Agreement Form and uploading all documents (license, insurance & registration)

Once you have completed these two steps, Your child will be emailed (at their school email address) to let them know when their driving placard will be ready to be picked up. All placards must be returned to the school in June or there is a \$10.00 fee. Car Registrations must be completed each school year. Any questions, please contact the Main Office.
