Reminders

Parents and Guardians,

When you are dropping your child off in the morning or picking them up in the afternoon, please stay in your car. If you need to get out of your car to assist your child in any way, please pull into a spot so that the line may continue to move. Thank you for your assistance in this matter.

Student Absence Reports

–Students must turn in an excuse for any day or part of the day that they are absent from school. The absence report is to be signed and dated by the parent/guardian and submitted to the teacher or office the day following the absence. **Please note the absences are recorded as unlawful if the excuse is not received within 3 days of the student's return.** If your child leaves early or comes in late from an appointment, a doctor's excuse is required. You can email excuses to me.info@mwsd.cc or Lantz.danielle@mwsd.cc.

Parent Pick-Up Procedure Survey-

Over the past ten years, the procedure for parent pick-up has brought about unique challenges at Middleburg Elementary School. One primary concern is that in the event of an emergency in the local neighborhood, emergency personnel would have difficulty navigating to the scene. Although attempts have been made to address the situation over the years, the problem still exists. While this is no one's fault, it is our responsibility, as a district, to help create a solution. At this point in time, we would like to collect additional input from Middleburg Elementary parents/guardians regarding their experiences with and preferences regarding parent pick-up. Please use the QR code to access the Parent-Pick Up Proce-
