

# How-To Connect to Paducah Guest Wi-Fi

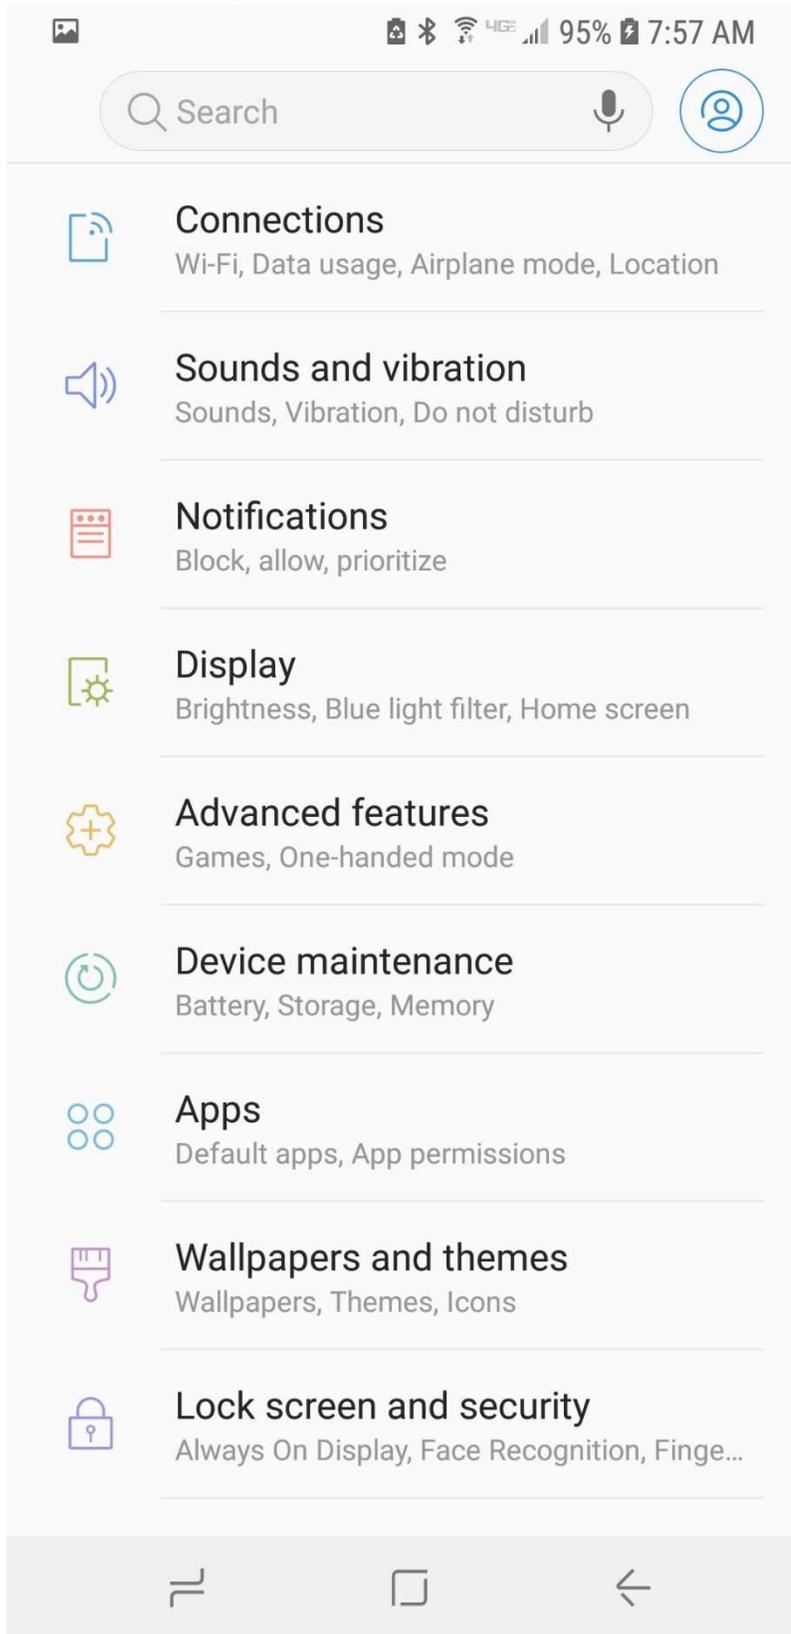

## Using an Android Device

**Disclaimer:** The example screenshots are taken from a Samsung Galaxy device. While some of the screenshots may look different from your device, the steps should to complete this task should be the same.

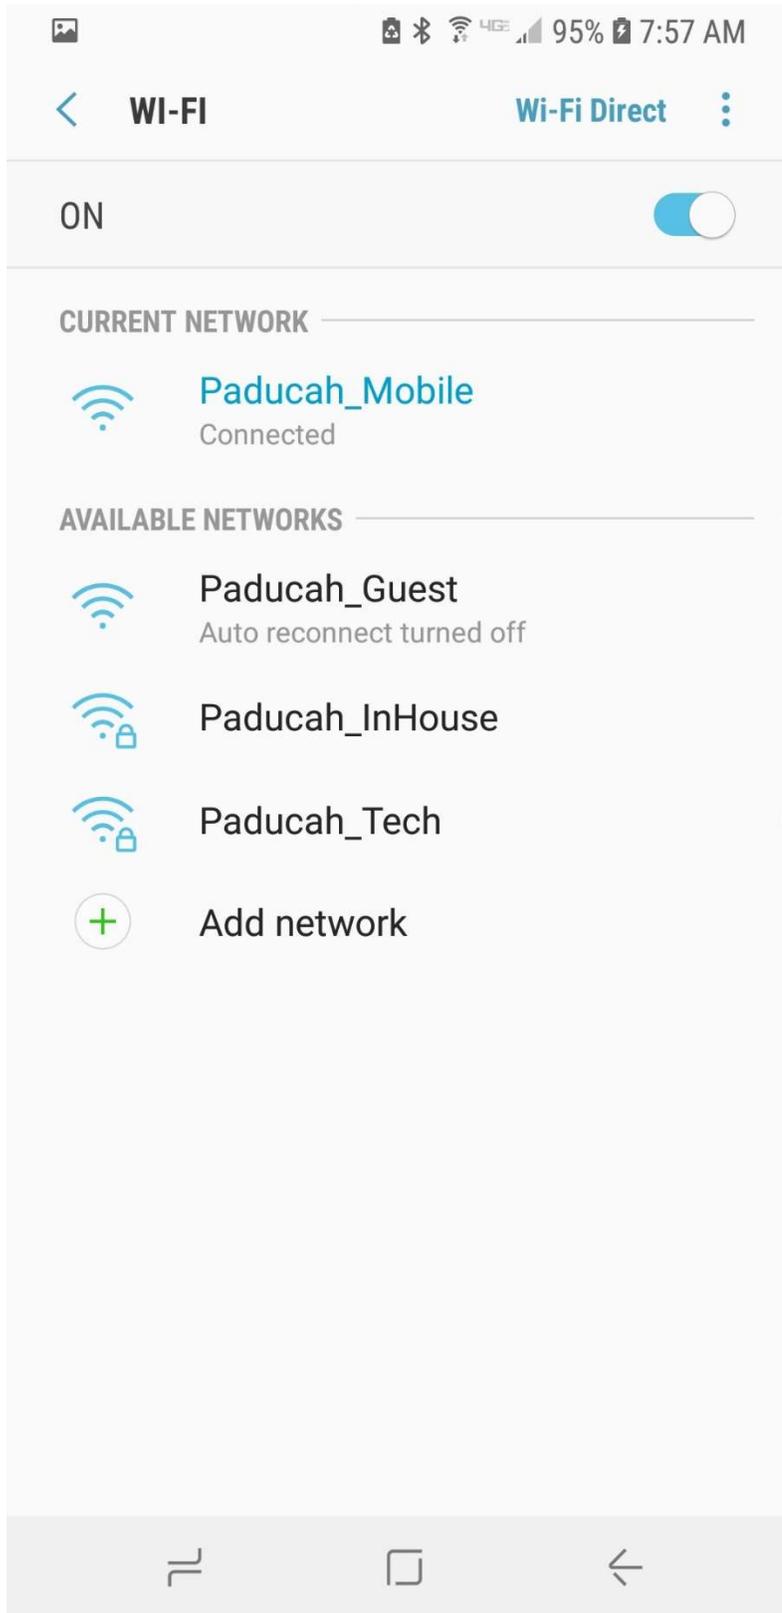

1. On your Android phone's home screen go to your full list of apps and find the Settings icon. It will most likely appear as a cog wheel icon.

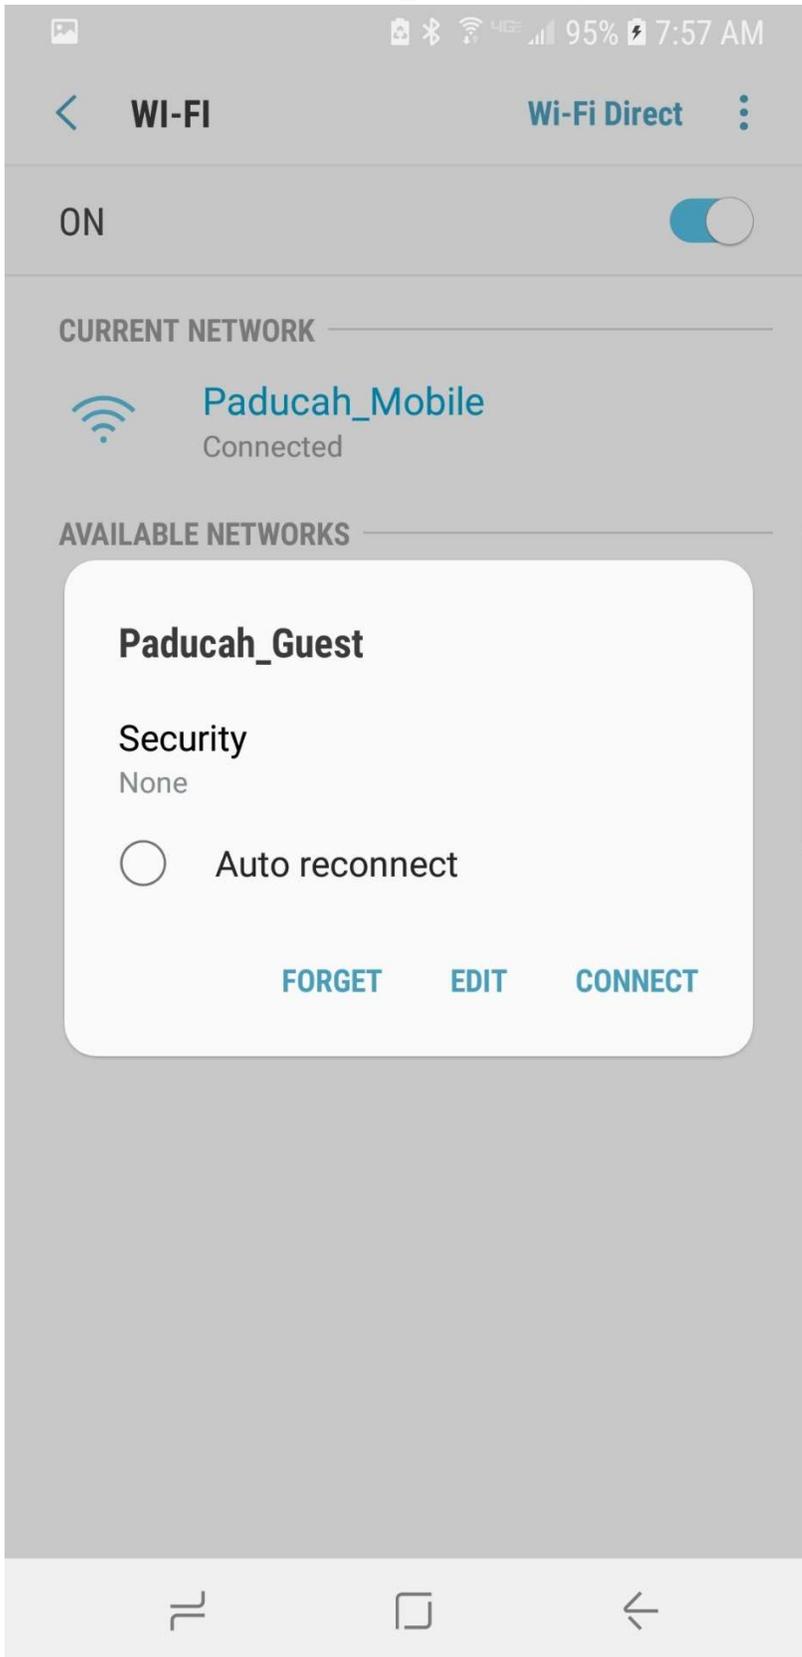

2. Tap on the Settings icon and you should come to a screen that looks like this:

3. In Settings, find the Connection or Wi-Fi option and tap on it. You should now see a screen with a list of Wi-Fi options that looks like this:

4. Find the Wi-Fi named Paducah\_Guest and tap it. You should now see a screen like this:

5. Tap the "Connect" button. The next thing that should pop up is this screen:

STATUS BAR: 96% 7:58 AM

## SIGN IN TO WI-FI NETWORK

<https://guestwifi.paducah.kyschools.us>

**Paducah PUBLIC SCHOOLS**  
*Academic Excellence. Tradition and Pride*

**WARNING:** Access to the information and content available through this network are proprietary and confidential. Only authorized users may access this system. You may use the information and contents solely in the manner for which it is intended and authorized. We reserve the right to monitor your use of this network at any time and in any manner. Misuse or unauthorized access may result in legal prosecution, penalties or enforcement.

The Paducah Independent Board of Education supports reasonable access to various information formats for students, employees and the community and believes it is incumbent upon users to utilize this privilege in an appropriate and responsible manner.

By clicking the "Accept" button below, you are agreeing to the terms of the Paducah Independent Schools Acceptable Use Policy (AUP) and that you will abide by them. If you need more information or are not familiar with our Acceptable Use Policy (AUP), a copy can be obtained from Paducah Independent Public Schools Technology Department or by going to <http://www.paducah.kyschools.us> from a site outside our network prior to clicking on the "Accept" button.

If you DO NOT agree with the Terms of our AUP, DO NOT click the "Accept" below.

Please use your District username and password to log in below. If you do not have a District username and password you can use the following.

Username: paducahguest

Password: tornado

PADUCAH PUBLIC SCHOOLS 800 Caldwell St. Paducah, Kentucky 42003 | Phone (270) 444-2600 | Fax (270) 444-2607

Navigation icons: Home, Recent Apps, Back

6. Please read all of the text that is given before proceeding to the next step. This refers to our Acceptable Use Policy or AUP.
7. Once you have read and agree to the Acceptable Use Policy (AUP), you will need to log in to gain access to the Wi-Fi. There are two ways of doing this:
  - a. If you are a district employee logging in with a personal device, please use your district username and password. Example: Login: asmith Password: your district password.
  - b. If you are a visiting guest and not a district employee, please use the username and password provided on this page. Example: Login: paducahguest  
Password: tornado
8. Once you've put your credentials in, tap the Accept button below the password box and you are ready to use the internet on your device.

If you have any questions, concerns, or trouble with this process, please call the Technology Department at 270-444-5611 ext. 1055.
