

May 6, 2021

Parents/Guardians:

Bryant Elementary School's priority has not changed throughout the COVID-19 pandemic, which is to deliver an excellent education to students and keep them safe. We thank our educators and leaders for their tireless efforts to maximize learning during this unprecedented period of time. We also thank you for your support during this phase of digital/virtual learning. Since school closures in March 2020, we have been working towards the goal of a safe return for students to school classrooms for in-person instruction.

In an effort to remain as clear as possible with our communication, we feel it necessary to inform you of your child's placement for **Hybrid Learning** the week of May 10, 2021.

Beginning Tuesday, May 11, 2021, your child will be scheduled as follows:

Learning Preference: **Hybrid Learning**

Days of in-person learning: **TUESDAY and THURSDAY**

School Report Time: 8:40 a.m. (There is no staff supervision before 8:40 a.m.) School doors open for students at 8:40 a.m.

School Start Time: **9:00 a.m.**

School End Time: **3:00 p.m.**

Days of remote learning: **MONDAY, WEDNESDAY, & FRIDAY (9:30 – 3:00 pm Online)**

To prepare for hybrid learning, please take time to become familiar with our [daily health protocols](#). I also encourage you to review the [Reopening Guide for Parents](#) for more information, and watch this [safety video](#) for returning to school.

As we transition to hybrid learning, changes to classrooms and daily routines can be hard for our students, especially at this point in the school year. I want to assure you that we are committed to making this transition as smooth as possible for your child. If you have any questions or if your child needs support, please contact me at danderson@harvey152.org. For general questions about reopening that are not answered in the documents linked above, you can visit the districts website, www.harvey152.org for additional avenues to receive direct support for you and your child.

Sincerely,

Principal D. Anderson
