

DTHS Graduation Information 2021

Date: Friday, May 21st

Time: 7:00pm

Location: Dwight Township High School

Spectator Admission: Each graduating student will be given 5 admission tickets (this number will increase if the IDPH guidelines change) to be used if graduation is held indoors. If graduation is indoors, a spectator will not be allowed in if they do not have a ticket. If graduation is held outdoors, the tickets will not be used and spectator admission will be unlimited.

Graduation Plans:

- 1) Outdoor Graduation Ceremony - In order to not have to limit the number of spectators, our first option will be an outdoor graduation at the Football field but depends on the weather. A decision will be made by as early as possible the day of graduation. This decision will be emailed to parents and students through our mass communication system. It will also be posted on the school website & Facebook page.
- 2) Indoor Graduation Ceremony - Tickets will be given to the students to distribute to people of their choosing. Tickets will be required for spectator entry into the graduation ceremony.

Mandatory Graduation Practice - Friday, May 21st - 9:00am

- It is very important that you attend the graduation practice the morning of graduation. Students will have to learn two different graduation entrances and exits.
