

JUMP INTO JUDSON!

FAMILY EDITION

May 7, 2021

THANK YOU, JUDSON PTO!

The teachers and staff felt the love during Teacher Appreciation Week! The PTO planned delicious treats for each day to celebrate the hard work of all the teachers and staff. The PTO even supported several small businesses in the process!

Step Up Days

On Wednesday, June 9th, our 5th grade students will be traveling to Swift to see the school and meet the teachers. On Monday, June 14th, 2nd graders from John Trumbull will travel to Judson to see our school and meet the 3rd grade teachers. Our 3rd and 4th grade students will also have the opportunity to Step Up and visit their next year's teacher on this day as well!

While we are excited about this opportunity, it is important to note that **it is dependent on the passing of the budget as we will need to know the placement of our teachers.**

In School Field Trip

Mrs. Marquardt has been working hard on providing our students a field trip experience by bringing the CT Science Museum to Judson! Each grade level will have the opportunity to see live animals for an adaption demonstration and have the ability to identify differences between mammals, reptiles, amphibians, and insects. Thank you to the PTO for funding this special day!

Field Day

Field Day is a go this year! Mr. Loyer is busy planning this fun, action packed day for our students. It will take place on Friday, June 4th. More information to come!

Smarter Balanced Assessment Consortium

SBAC testing will begin on Monday, May 10th for grades 3-5. We will kick off the excitement by having a Pep Rally on Friday, May 7th! Judson's staff has been working hard on a skit to perform for the students along with a funny slideshow that will (hopefully!) ease some anxiety and stress. Thank you to Joanna Schipke and her staff for putting together breakfast snacks for every student in the school!

Upcoming Events

Monday, May 10, 2021	SBAC Assessment- ELA
	BOE Meeting, 7:30 pm
Tuesday, May 11, 2021	SBAC Assessment- ELA
	PTO Meeting, 7 pm
