

Students, families, and members of the Joppa-Maple Grove USD 38 community,

Welcome to Joppa-Maple Grove Unit School District 38. It is an honor and privilege to serve as Superintendent of this great district. The faculty at both Maple Grove Elementary and Joppa Jr/Sr High School is second to none and committed to providing a challenging and well-rounded education that will prepare our students for the challenges beyond. Furthermore, our support staff works tirelessly to maintain all aspects of our schools so that our students have the most conducive learning environment possible. This is truly a great school district.

As Superintendent, I hope to have an open line of communication with all members of the community. I feel very strongly that our school district will only operate effectively when there is a cooperative effort of parents, students, faculty, and administration. Together we can do great things!

Please feel free to contact me or other individuals in our school district so that we can best provide the excellent services Joppa-Maple Grove USD 38 has to offer.

Sincerely,

*Dr. Vickie Artman*

Superintendent, Ph.D.
