Information Technology

Saturday, May 22nd, 2021

John England CTE Building Exposition Center

JUDGING: 10:00AM

AWARDS & LUNCHEON: 12:00 NOON

What is SkillsUSA and The Royal SkillsUSA Project Show?

The SkillsUSA is a nationally recognized student organization in partnership with teachers and industry representatives, working together to ensure that America has a skilled work force. It helps each student excel in leadership and employable skills. SkillsUSA is a national nonprofit organization, as defined under IRS Code 501 © (3), serving teachers, high schools, and college students who are preparing for careers in trade, technical, and skilled service occupations.

The Royal SkillsUSA Project Show's primary aim and purpose is to promote responsibility and demonstrate trade and technical skills through educational work. The Show provides exhibitors an opportunity to showcase their skilled projects. Any awards and proceeds help the students to further their education and /or future careers. Please consider carefully what you can do— the impact of a relatively small donation can make a big difference in a child's future.
