

Naming Opportunities

Naming Opportunities are special ways of honoring the people we love, whether they are living or deceased. Our new school will be a living memorial where those who helped in creating it, will leave something that will serve as a lasting tribute to honor the sacrifices our school families, alumni, parishioners and friends. The good they do will remain to share

in the divine activity of God here on earth.

Naming Opportunities are reserved on a first come, first served basis. They will be designated only once in the campaign. Please call the campaign office if you are interested in a Naming Opportunity at (501) 327-5528.
