State Testing May 24-27

One of the new mandates that the Oregon Department of Education has passed down is that all Oregon schools are now required to administer the state test. We will be testing our students in the coming weeks. You do, however, have the opportunity to opt your student out of the state test. There are two ways to do this. You can go to this link and fill out the following form::

https://www.oregon.gov/ode/educator-resources/assessment/Documents/Opt-Out_Form_Revised03_10_21_fillable.pdf

Additionally, we have mailed the form home with report cards and you can fill the form out and return the form to the school. Once we have received the form we will put your student on the opt-out list.

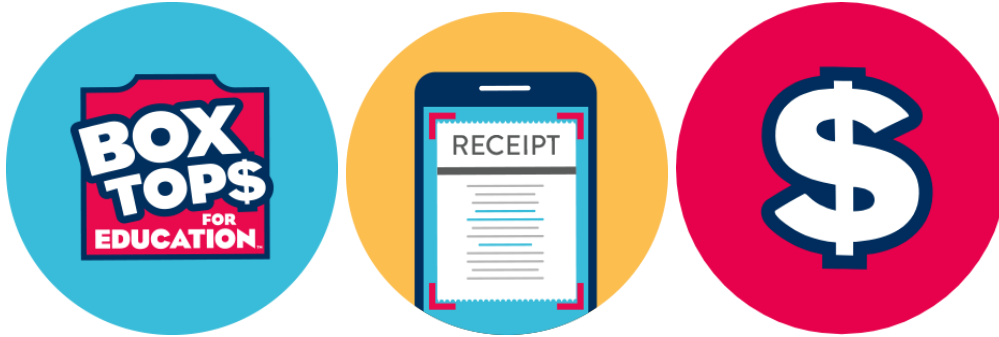

Eagle-A-Thon

It has come to our attention that there may be some confusion regarding the Eagle a Thon fundraiser and we wanted to reach out to provide clarity. As covid regulations are still in place, we cannot track student's jogging on a specific day during school hours as we have in the past. Because of this, we are allowing students to pick from a variety of activities that they can complete at home. They will need your help picking an activity, tracking how much activity is accomplished, and raising pledge donations. Pledge forms have been sent home with students, attached to this email, and available on the hes parent club facebook page. There is also an online donation page for this fundraiser at <https://app.99pledges.com/fund/harrisburgeagleathon2021>. Use the search bar to find your student/s and click the facebook icon to share the page with family and friends. **All activities should be tracked and pledge forms turned in by May 20th.**

The money raised during this year's fundraiser will help us provide a Mad Science presentation with hands-on learning kits before the end of the year for all students K-8!
