Comments: Coming just 2 days after our last meet, this was a good chance to test our toughness. We had several good times and distances and have had some athletes step up to substitute in our Boys and Girls 4X400 Relays this week. Athletes who will step up when needed are always great additions to our teams. We're starting to see what our strengths should be as the season starts to wind down. We're now ready for the League, Regional, and State meets which are our main focus every year. We need to get a little healthier in a few spots, but I think there is still a lot of upside with this group.
