

1/4/21

Parent/Guardians of High School Athletes,

When interscholastic athletics and activities resume, White Swan High School will be transitioning to online sports registration. This registration process will be mandatory for participation in all interscholastic sports and activities.

Included in this packet are instructions for online athletic registration and your student's Skyward Username and Password (which will be required for log in). When you log into InTouch registration you will be directed to fill out the following forms:

- Emergency Information
- Cardiac Arrest & Concussion Form
- Athletic Handbook Sign Off
- Valid Physical (see paragraph below)
- Consent to Ride Form (optional)
- Consent to Use Private Transportation (optional)

If your student submitted a valid physical to the HS office prior to October 2020, it is already in the InTouch system. If your student submitted their physical to the office later than October 2020, the office will input the data for you. If your student needs to submit a *new* physical you will be able to upload that document into the InTouch website when the physical has been completed by a physician.

In order to access your student's registration, it is required to have a valid personal email address registered in the Skyward system. If you do not have a valid email in Skyward, please contact the HS office. Paper registration forms are available upon request in the high school office.

If you have questions about the registration process, please contact the High School office at (509) 874-8626.
