

Seneca Grade School #170 Student Accident Insurance 2021-2022

Your school is happy to inform you that your child is covered for all School supervised and sponsored activities.

The school time plan provides coverage while an insured student is in or on school premises during the days and months when school is in session; traveling directly to or from their residence and school in a vehicle supplied by the school; and participating in or attending activities sponsored solely by the school that are continuously supervised by a school official or employee. This also includes supplied and supervised travel directly to and from such sponsored activities; and school sponsored and supervised sports.

If you would like to buy-up coverage to provide 24 hour coverage for your child you can purchase the around the clock coverage.
