BOARD REPORTS

Mr. Bazar- as a parent I was happy to see kids going back to school and would recommend we add days to the week if possible, absolutely should not close the schools again, optimistic that we will go back to normal next year.

Mr. Snodderly- Agree with Mr. Bazar and I hope our schools are open fully next year, get together with Paul about mental health, looking forward to Superintendent interviews

Mr. Wallace- Meeting with Principal Pruett and Assistant Principal Sharpe. Mrs. Sharpe's background is in PPS and probably has a better understanding of mental health in our district. During LCAP requests for more mental health support in district. We acknowledge mental health and we are actively working on this.

Mrs. Hurst- I would like to see as many students back as possible as long as it is safe. End the year on a better note for a very difficult year.

Mrs. Conforti – More people that are vaccinated the more schools are going to open, appreciate all the help Mrs. Fox has done to help with our Superintendent Search.
