

WATERTOWN UNIFIED SCHOOL DISTRICT

Welcome to Our Elementary Schools!

Every elementary school in our district offers the following:

- Comprehensive curriculum to meet the individual academic and social-emotional needs of our learners
- Instruction designed to ensure that all learners thrive
- Meet, Exceed or Significantly Exceed Expectations on the State Report Card
- The Mission of the Watertown Unified School District is to engage all of our students in rigorous and relevant learning to maximize their unique talents and abilities and to prepare them for the challenges of the future

DOUGLAS ELEMENTARY

1101 Prospect Street, 920-262-1495

- Building a strong foundation in literacy, math, the arts, sciences, and social-emotional skills
- Committed to developing a caring school community through daily Morning Meetings and other relationship-building strategies
- Students engaged in learning through purposeful use of collaboration, goal-setting, and inquiry
- Providing innovative and unique opportunities for students and families through community partnerships (WI Reading Corps, School-Based Mental Health Services)

LEAP ELEMENTARY

(LEBANON) W4712 County Road O, 920-925-3712

- LEAP Elementary: Lebanon Environmental Agricultural Pathways
- Learning through projects and problem-solving connected to the environment
- Engaging students through fun, hands-on activities
- Students will have the opportunity to experience different activities within the environment in which they live
- Multi-age classroom experience within a small school environment

LINCOLN STEM ELEMENTARY

210 N. Montgomery Street, 920-262-1465

- Students participate in projects and solve problems that resemble the work of scientists, mathematicians, engineers, builders, and growers
- Engaging learners through fun, hands-on activities, often addressing real life issues
- Experiences are designed to build students' 21st century skills - (collaboration, communication, creativity, critical thinking, problem-solving)
- Multi-age classroom learning experience (K/1, 2/3, 4/5)
- www.lincolnstem.org

SCHURZ ELEMENTARY

1508 Neenah Street, 920-262-1485

- Offering traditional classroom learning experience and dual language programming
- Our Schurz Dual Language Program offers high-quality and rigorous instruction in two languages
- Literacy and content learning in both Spanish and English
- Giving access to language learning at an early age
- English and Spanish speaking students are both welcome
- <https://wusd-dual-language.org/>

WEBSTER ELEMENTARY

634 S. Twelfth Street, 920-262-1490

- Dedicated to enhancing teaching and learning for every child every day by developing people and partnerships and promoting innovation
- Proud of our highly dedicated, talented, veteran staff who strive to meet the needs of all learners-academically and socially. We learn the Wildcat Way! 100% Every Day!
- A welcoming, friendly, family-oriented atmosphere
- A kindergarten parent said, "Our son has shown more progress in reading and writing at Webster than we ever could have expected since 4K. We are so happy at Webster."

We can't wait for you to join us!
