

Park Elementary School

VISION

We believe our school...

- Assists families in educating their children.
- Provides an equal education to all.
- Has high expectations.
- Offers a risk free learning environment.
- Should promote and celebrate successes.

We believe our teachers...

- Are lifelong learners.
- Collaborate and support each other to bring about student success.
- Should communicate with families.

We believe our students...

- Can succeed.
- Can contribute to their own learning.
- Should promote positive character

We believe our families...

- Should extend learning in the homes.
- Should be involved in the classrooms.
- Should model positive behavior.
- Should communicate with the teachers.
