Attention CHS/CMS Student Families and Staff:

Construction updates on Smith Drive have finished up on schedule today as planned. However, the City of Charleston will be having road work done on 15th Street for the next two days, making the north entrance to Smith Drive from Harrison Ave. inaccessible to use on Thursday August 18th & Friday August 19th. If you plan to drop off/pick up your child(ren) this week at the Charleston Middle School or Charleston High School, you will need to access these locations via our 18th St. or Lincoln Ave. entrances. You should be able to access Smith Drive from the north side (by football field) again next week. Please see map below for clarification:
