## April 2021

April began with Ms. Bolles FACS classes stuffing eggs for the City of Commerce annual Easter Egg Hunt. Over 1000 were stuffed with candy. Her FACS classes ended the month making "MOM" signs for Mother's Day. Each activity helped the students by learning to give back to others and honor their mothers. FCCLA has formed a group who's community service is to pick up trash to help to make Commerce beautiful again.

Freshman Lexi Martin & Jackie Medina competed at the TSA State Competition. They placed 2nd in the BIO Technology Division.

Senior Faith Wiford scored a "1" at the State Instrumental Competition in Enid April 21st. Faith has played the flute for the past 7 years. Faith will be attending NEO A&M college in the fall majoring in nursing.

The Mickey Mantle Wooden Bat Classic was held April 8-10. With rainouts only the Triple Crown & Miners Divisions finished. The banquet was held at the Coleman Theater. Frank White from the KC Royals was the guest speaker.
