TeacherWallet is a solution for school districts that want an effective way for teachers to purchase classroom resources. TeacherWallet replaces paper-intensive processes without compromising oversight and gives teachers the benefit of an agile, flexible way to purchase resources while cultivating a positive work culture for all.

### For Teachers

- **Easy to use**
  on mobile or desktop devices.
- **Purchasing choice**
  Buy from preferred vendors as well as through the curated e-commerce marketplace that has common office supply vendors as well as education-oriented product and service suppliers.
- **Eliminate lost receipts**
  Remit receipts by taking pictures or scan receipts and submit for approval.

### For Administrators

- **Get full tracking and backup documentation of every transaction**
- **Easy to implement**
  Implementation measured in days, not months.
- **Automated SKU-level reconciliation**
  of every online purchase.
- **Reduce administrative burden**
  by going “paperless” with an online dashboard to review receipts and automated ACH direct deposit.
- **Better compliance and analysis**
  with easy reporting.
- **Fully reconciled data downloadable**
  for audits and integration with accounting and ERP software.
- **Improve the teachers’ work culture**
  and improve retention and recruitment.
- **Controls are built-in**
  Purchase card with merchant-level, spending limits, MCC code restrictions, and ATM restrictions.
Classwallet.
The Best Solution to Manage “Day-to-Day” Purchases.

While maintaining the highest levels of oversight and control, ClassWallet eliminates paperwork and manual processes and gives users a nimble way to purchase goods and services.

What People Are Saying

“To simplify our purchasing process, ClassWallet digitizes all the receipts. They are available for anyone to review at the click of a button and it doesn’t take away from classroom instruction.”

- District CFO and Auditor
  Miami-Dade County

“ClassWallet provides more control with less paper”

- Fiscal Services Senior Director
  Mountain View School District
