

## 4.7—ABSENCES

If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence.

Education is more than the grades students receive in their courses. Important as that is, students' regular attendance at school is essential to their social and cultural development and helps prepare them to accept responsibilities they will face as an adult. Interactions with other students and participation in the instruction within the classroom enrich the learning environment and promote a continuity of instruction which results in higher student achievement.

Absences for students enrolled in digital courses shall be determined by the online attendance and time the student is working on the course rather than the student's physical presence at school. Students who are scheduled to have a dedicated period for a digital class shall not be considered absent if the student logs the correct amount of time and completes any required assignments; however, a student who fails to be physically present for an assigned period may be disciplined in accordance with the District's truancy policy.

### **Excused Absences**

Excused absences are those where the student was on official school business or when the absence was due to one of the following reasons and the student brings a written statement to the principal or designee upon his/her return to school from the parent or legal guardian stating such reason. A written statement presented for an absence having occurred more than five (5) school days prior to its presentation will **not** be accepted.

1. The student's illness or when attendance could jeopardize the health of other students. A maximum of six (6) such days are allowed per semester unless the condition(s) causing such absences is of a chronic or recurring nature, is medically documented, and approved by the principal.
2. Death or serious illness in their immediate family;
3. Observance of recognized holidays observed by the student's faith;
4. Attendance at an appointment with a government agency;
5. Attendance at a medical appointment;
6. Exceptional circumstances with prior approval of the principal;
7. Participation in an FFA, FHA, or 4-H sanctioned activity;
8. Participation in the election poll workers program for high school students.
9. Absences granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.
10. Absences granted, at the Superintendent's discretion, to seventeen (17) year-old students who join the Arkansas National Guard while in eleventh grade to complete basic combat training between grades eleven (11) and (12).
11. Absences for students excluded from school by the Arkansas Department of Health during a disease outbreak because the student has an immunization waiver or whose immunizations are not up to date.

Students who serve as pages for a member of the General Assembly shall be considered on instructional assignment and shall not be considered absent from school for the day the student is serving as a page.

### **Unexcused Absences**

Absences not defined above or not having an accompanying note from the parent or legal guardian, presented in the timeline required by this policy, shall be considered as unexcused absences. Students with *(insert number)* unexcused absences in a course in a semester may not receive credit for that course. At the discretion of the principal after consultation with persons having knowledge of the circumstances of the unexcused absences, the student may be denied promotion or graduation. Excessive absences shall not be a reason for expulsion or dismissal of a student.

When a student has *(insert number equal to 1/2 above number)* unexcused absences, his/her parents, guardians, or persons in loco parentis shall be notified<sup>6</sup>. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day.

Whenever a student exceeds *(same number as in the first paragraph of this section )* unexcused absences in a semester, the District shall notify the prosecuting authority and the parent, guardian, or persons in loco parentis shall be subject to a civil penalty as prescribed by law.

It is the Arkansas General Assembly's intention that students having excessive absences be given assistance in obtaining credit for their courses. Therefore, at any time prior to when a student exceeds the number of unexcused absences permitted by this policy, the student, or his/her parent, guardian, or person in loco parentis may petition the school or district's administration for special arrangements to address the student's unexcused absences. If formal arrangements are granted, they shall be formalized into a written agreement which will include the conditions of the agreement and the consequences for failing to fulfill the agreement's requirements. The agreement shall be signed by the student, the student's parent, guardian, or person in loco parentis, and the school or district administrator or designee.

Students who attend in-school suspension shall not be counted absent for those days.

Days missed due to out-of-school suspension or expulsion shall be unexcused absences.

The District shall notify the Department of Finance and Administration whenever a student fourteen (14) years of age or older is no longer in school. The Department of Finance and Administration is required to suspend the former student's operator's license unless he/she meets certain requirements specified in the statute.

Applicants for an instruction permit or for a driver's license by persons less than eighteen (18) years old on October 1 of any year are required to provide proof of a high school diploma or enrollment and regular attendance in an adult education program or a public, private, or parochial school prior to receiving an instruction permit. To be issued a driver's license, a student enrolled in school shall present proof of a "C" average for the previous semester or similar equivalent grading period for which grades are reported as part of the student's permanent record

## 4.8—MAKE-UP WORK

Students who miss school due to an excused absence shall be allowed to make up the work they missed during their absence under the following rules.

1. Students are responsible for asking the teachers of the classes they missed what assignments they need to make up.
2. Teachers are responsible for providing the missed assignments when asked by a returning student.
3. Students are required to ask for their assignments on their first day back at school or their first class day after their return.
4. Make-up tests are to be rescheduled at the discretion of the teacher, but must be aligned with the schedule of the missed work to be made up.
5. Students shall have one class day to make up their work for each class day they are absent.
6. Make-up work which is not turned in within the make-up schedule for that assignment shall receive a zero.
7. Students are responsible for turning in their make-up work without the teacher having to ask for it.
8. Students who are absent on the day their make-up work is due must turn in their work the day they return to school whether or not the class for which the work is due meets the day of their return.
9. As required/permitted by the student's Individual Education Program or 504 Plan.

Work may not be made up for credit for unexcused absences **unless** the unexcused absences are part of a signed agreement as permitted by policy 4.7—ABSENCES. Out-of-school suspensions are unexcused absences.

Work missed while a student is expelled from school may not be made up for credit and students shall receive a zero for missed assignments.

In lieu of the timeline above, assignments for students who are excluded from school by the Arkansas Department of Health during a disease outbreak are to be made up as set forth in Policy 4.57—IMMUNIZATIONS.
