2nd Grade (2:35-3:00)	Dankers	Matdies	Andrews	Schwenk	
**Elementary students will run a loop in the field area, Middle School will do the cross country/forest loop.					
**Students will go to PE on their normal schedule and day for the entire allotted time, the fun run will be the majority of their PE class, classroom teachers do not have to be present, but are more than welcome and encouraged to participate with their class if they are available.					
**Parents are welcome to attend, and are allowed to participate if they would like. Parents are not allowed to enter the building and we appreciate them making every effort to help manage parking congestion by remaining on site for their child's allotted time only.					

The PTO has secured permission to allow parents/family members to watch their child(ren) run! Please follow these directions so that we don't abuse this invitation. Please only come to the school at your child(ren)'s designated run time and leave promptly after their run to allow for another set of family members to attend the next run and alleviate parking congestion. Please park in the main parking lot (not along McMannamy Draw) and use the walkway going around the southside of the school to reach the grass field area. Middle school students will be running the cross country/forest trail with a section on the edge of the field, while elementary students will be running a big loop in the open field area. You can make/bring signs to encourage your runner(s) and cheer them on or even run with them! There will not be access to the inside of the school for family members, please plan accordingly! Again, please respect all of these requests, this has been a challenging year of not being able to participate with our kids' classrooms, and we are grateful to be given this opportunity to allow family participation for this fundraiser event.
