SUMMER SCHOOL NOTICE

Dear Parent/Guardian:

Your child is required to attend the Summer School Program at Memorial Junior High School as a result of your child's academic status for the 2020 – 2021 school year. This is a result of your child having two or more F's as cumulative grades in content area classes for the school year. Students **MUST** complete summer school to be promoted to the next grade level. To participate in summer school, your child's medical records and immunizations must be up to date and submitted to the school nurse by Wednesday, June 2nd in order to attend. Please contact Nurse Berry at 708-474-2383 to determine if your child is compliant with all required health forms.

In order to ensure an effective learning experience, student attendance is mandatory. Students who are required to attend summer school cannot miss more than one day of summer school and three tardies will be considered one absence. You must complete the registration form using the link below by Monday, May 17th. There is no cost for your child to attend summer school at Memorial Junior High School; however, no transportation will be provided.

Monday – Friday
8:15 am – 12:45 pm

Session Two:

The purpose of this program is to provide your child with extended learning opportunities through an integrated curriculum that emphasizes reading, math, and technology. Classes are designed to meet individual students' needs and space is limited to provide a maximum learning experience.

Thank you for allowing us to partner with you to provide your child with additional academic support. If you have any questions or concerns, please call Ms. Taborn at 708-474-2383 or email at ptaborn@d158.net.

Sincerely,
