At the time of this catalog going to print, there are many changes on the horizon in terms of Covid safety protocols and mandates. Please be aware that as a department of La Crescent-Hokah Public Schools, our programming is subject to following guidance from both the MN Departments of Health and of Education. Be assured we will do all that we can to serve as many people as we can, as safely as we can. Please call if you have questions!

## What is La Crescent-Hokah Community Education?

The answer can be summed up with the statement that Community Education meets community needs by leveraging its resources!

Community Education is designed to be the connective link between a school district and ALL of its community members, pre-natal through end of life. In 1971, Minnesota became the fourth state to pass legislation that brought funding to Community Education in Minnesota. Our mandate is clearly set forth in Minnesota statute 124D.18, PURPOSE OF COMMUNITY EDUCATION PROGRAMS: "The purpose of sections 124D.18 and 124D.19 is to make maximum use of the

public schools of Minnesota by the community and to expand utilization by the school of the human resources of the community, by establishing a community education program."

**There are over 1.7 million youth, 285,000 pre-kindergarten children and 900,000 adults in Minnesota engaged in Community Education annually.**

*From the Minnesota Community Education Association publication "50 Years of Service," 2019*

## Something for everyone!

We are proud to serve as the La Crescent and Hokah community link to our school district and to offer programming that engages all members in lifelong learning! In non-pandemic times, we welcome community members into our buildings whether it is to walk the hallways in the winter before or after school, to take a cooking class, or to learn how to use your iPad. We provide youth sports teams with a place to play. We provide arts and cultural experiences in our Fine Arts Center (and sometimes outdoors too).

Our department is responsible for delivering specific programs called for in statute, in addition to our slate of enrichment programming for youth and for adults. Please note all adult enrichment programming is required to generate revenue and to be self-sustaining.

**Early Childhood Family Education (ECFE)** provides families with children birth to age 5 access to a licensed Parent Educator, as well as a licensed childhood teacher to help them connect with others and each other, and to provide the support for parents as a child's first teacher. **Discovery Preschool School Readiness** program provides a high quality, 4-Star Parent Aware Rated, play based educational experience for children ages 3, 4, and 5 years old. This program is an inclusive partner with Semcac Head Start.

**Early Childhood Screening** is provided to the entire community's three, four and five year olds before they begin Kindergarten, as required by state statute.

**Kids' Company School Age Childcare** provides child care before and after school, and during summer.

**Adult Basic Education/GED/ESL** programming is offered cooperatively with Winona Area Public Schools to help adults earn their GED or increase other academic skills.

## Community Summer Band Celebrating 25 Years!

Love to play in a band?! It's time to toot your horn and join the La Crescent-Hokah Community Summer Band. # CHALKFEST 2021!

Mark your calendars...spread the word! CHALKFEST 2021 will be on Saturday, September 18. All Ages, Singles or Teams are encouraged to take part!

### WHAT IT IS:

Imagine La Crescent-Hokah Secondary School Parking Lot overtaken by a firestorm of creativity and positive community energy, culminating in yards and yards of sidewalk space displaying amazing chalk artwork. Artists of all ages can create elaborate, large-scale chalk artwork. Throughout the day, artists will create their work as visitors watch their drawings come to life. That's Chalkfest! It's part art festival and part family-friendly fun.

### HOW IT WORKS:

Our school campus has large sidewalks running around the perimeter, where registered artists of all ages and abilities can create elaborate, large-scale chalk artwork. Throughout the day, artists will create their work as visitors watch their drawings come to life. Participants (individuals or groups) need to pre-register to reserve a spot. Winners of the various categories will be announced at 4:30 pm. People's Choice Awards for Youth and Adult will be announced on Monday.

### REGISTRATION:

Class #8200 Fee: \$29 Date: Saturday, September 18, 2021  
*Registration fee includes sidewalk square, chalk palette, gloves, sponges. Additional supplies will be available for purchase should artists run out. Space sizes are determined by the sidewalk seams; there are different sizes in various quantities.*

Artists may check in and start prepping and drawing on Friday, September 17 from 2-7 pm.

On Saturday, Artists may check in @ 6:45 am; Judging is at 4 pm; Winners will be announced at 4:30 pm

Check in at Middle School NORTH Entrance, 1301 Lancer Blvd.

## Basic Firearms and Permit to Carry a Handgun Training

This is a one day basic course for men or women with little or no experience with firearms, as well as for more experienced shooters. Included are explanations of ammunition function and nomenclature, differences in various types of handguns, legal aspects of acquiring, possessing and using firearms, and the practical application of use of force laws in self-protection situations. Also included are many entertaining, real-world examples and stories. Emphasis is always on SAFETY. The live fire shooting exercise includes one-on-one coaching. Handguns and ammunition are provided, as well as ear and eye protection. An enclosed, heated shelter is provided for shooting in inclement weather. Refreshments are provided but students may wish to pack a lunch. Instructor is a retired Law Enforcement Officer of 27 years, Police and USCCA Certified Firearms Instructor and Master Class shooting competitor.

Completion of this course fulfills the training requirements for a Minnesota Permit to Carry a Handgun, valid in twenty-seven states. Also fulfills the training requirement for Wisconsin and Iowa Permits, and for a Florida Permit which adds an additional seven states.

## Adult Open Shop: Woodworking

Community Education is excited to be bringing back an "open" shop course to our community members. Do you have a project in mind that you have always wanted to tackle or finish? Do you want to try your hand at a simple woodworking project but don't know where to start or have the proper tools or guidance? Dan Norton will be here to assist you with your project from start to finish.

This 6-night course will allow beginners to advanced students to learn the basics of woodworking and/or add to their knowledge while making their own personal project(s). \*\*May also register for a SINGLE class - must arrange with Comm Ed in advance.

Dan will contact you in advance in order to maximize your time. Dan will discuss how the class works, and help you choose your project so you will be ready the first night to work on your wood piece.

### Important Notes:

- \*This is NOT a refinishing class.
- \*Wood supplies/materials purchased by the student either on your own or through Dan.
- \*Must attend the first night of the session.

## Tai Chi! Building a Strong and Healthy Mind, Body, and Spirit!

Meditation belongs to everyone! Tai Chi is generally known as a style of relaxing moving meditation, but its associated roots within global health practices and martial arts extend more than three thousand years. The basic fundamentals of meditation practice are: focused breathing, functional movement, and conscious awareness. Every culture has practices with these precepts, whether it be dance, prayer, difficult work, or dangerous challenges. Within this class, students will find elements of classical Tai Chi, Yoga, Aikido concepts, and sitting/ standing meditation. Subjects covered around potential health outcomes, such as pain management, reduction of physical falls / increased agility, aerobic capacity, and decreased anxiety/depression are all sourced from peer-reviewed medical journals. All practices are 100% adaptable and safe to

any student's age and associated physical, mental, emotional, and spiritual needs. The primary goal of this course is for every student to find their own adaptable meditation style that fits their needs, whether that be an athlete looking to more easily induce the flow state, or an elder wanting to make sure they maintain their healthy autonomy through preventative practice. At the very least, this class is a place that for 1-2 hours a week, you can be quiet around mostly quiet people, genuinely attempting to relax, without a distraction, other than being reminded to take another deep breath. We ask that a mask be worn during indoor instruction, given current MN DHS guidelines.

## {YEL!} Junior Coding and Video Games with Scratch Grades 2nd-5th

STEM Video Game Enrichment for the 21st Century learner. This class follows four basic components:

- TEACH IT!** Students learn different video game and storytelling design techniques (movement blocks, control blocks, basic animation, adding scores, etc.)
- CODE IT!** Students use Scratch® to code their own story and video games.
- EXPLORE IT!** Students write their own story and video game code, experiment with it and test new options. Our collaborative environment encourages students to learn from each other.
- KEEP IT!** Students keep their stories and video games online with Scratch® and can access it and expand upon it at anytime.

Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices. Your child will receive a Scratch user name and password so they can access their projects from any computer at anytime.

La Crescent-Hokah Community Education and  
Appleseed Community Theatre Present:

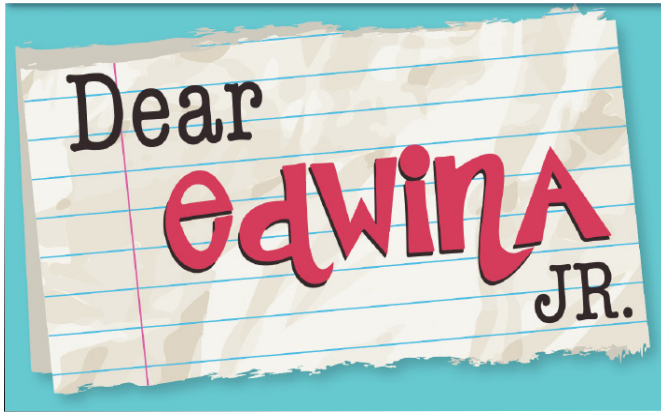

# Camp Kids On Stage!

*A dynamic youth program to introduce our youngest community members to the world of theatre!*

Community Education and Appleseed Community Theatre have teamed up once again to bring this unique experience to kids ranging in age from **entering FIRST through entering ninth grade**.

This summer, participants will present the musical

*Dear Edwina, Jr!*

Program participants will begin this three week immersion program learning both basics of the theatre, common terminology, and will get started with learning about the production. Next, the kids will learn about the audition process, and then will audition for their part in the show. Class time will then focus more specifically on learning the script as well as the music. Participants will be divided into smaller groups by age.

Students will meet 1:00-4:00 daily.

All children receive a Camp T-Shirt, their own script book, and two tickets to the show!

*\*This unique show highlights many actors in key roles!\**

Classes meet 1:00-4:00pm daily, Mondays-Fridays, August 9th-August 28th
