

MANCHESTER ELEMENTARY

A caring school community, dedicated to excellence.

Daily RUVNA Screener

Please continue to complete the RUVNA screener daily for all children. This tool remains very important in COVID tracking!

Masks!

Thank you for your diligence in providing your child with a clean mask daily! No Gators please.

Teacher Appreciation Week

We would like to thank everyone who recognized the hard work of our Manchester Elementary School Staff during Teacher Appreciation Week! We truly felt loved and appreciated with our gifts of flowers, candy, lunch, donuts, cards, notes and smiles!

Notes from Principal Hartford

May 14, 2021

This week we received the school copy of school pictures for students. It is so uplifting to see these beautiful pictures, smiles without masks! It makes me even more aware of how much we have missed seeing real smiles and are in hopes we can see faces next year! Family packets for those who ordered should be coming home soon.

Finding the balance of keeping children healthy at school and allowing for life's activities remains a focus here at MES. We are outside with classes, longer recesses, snack and lunches outside and class work outside allows us to experience this

Sneakers vs Sandals

Please be aware that we require sneakers to be worn on Castletown, the kickball fields, and for physical education classes. If younger children are choosing sandals, please help them to be aware that it will significantly limit their recess options. When choosing sandals, please consider sandals with backs - flip flops are not a great recess option!

gorgeous spring weather. At the same time we continue to wear masks inside, socially distance and continue our hand sanitizing routines. We wait in hopes for the state DOE to change the guidelines for schools but until they do we will conform with expectations.
