1. Update on Vision of the Graduate

How are we valuing the components?

1. *Goal for each student*
2. *How do we measure this? Do we measure this?*
3. *Is this an assessment tool?*
4. *Every department has been charged with at least three of the six components. Assigned to the departments and teacher's will look for student work that shows these characteristics in their work for NEASC visit, Fall 2021.*
5. *Expanding these ideas beyond the classroom will be a work in progress.*

Roll-out: What if a student did not see Sunrise? How else will they receive the information?

1. *Mr. Hurley and Ms. Tucciarone piloting a project for students to design a sign to be posted around campus prior to next year's NEASC visit. Search for students to design the graphics. Goal: encourage students to submit designs by June 11, 2021 and hopefully make a decision on graphic by this school year.*

Survey SIT students for feedback on courses and activities that fulfill the 6Cs (see J. West's "Vision Thoughts" doc in folder)

1. *Math project regarding real-world connections; social studies projects related to citizenship; imbedded into the Senior Project Exhibition (satisfying components of the 6Cs)*

2. School Improvement Team Policy
