

SCHOOL CLOSINGS AND CANCELLATIONS

The Board authorizes the Superintendent to cancel or close school(s) for the day, delay opening, or dismiss school(s) early in the event of severe weather, hazardous travel conditions, or other emergencies which present threats to the safety of students and staff.

Notice of closing or cancellation shall be given to students and parents by means of media announcements or by other appropriate means. Such notice shall be given sufficiently in advance of the school session in order to avoid confusion and inconvenience.

When school is in session, it remains the responsibility of parents to decide whether or not their children shall attend school under the existing conditions.

Storm days lost in excess of the number provided for in the school calendar will be made up by conducting classes on the weekend, rescheduling or shortening scheduled vacation periods or postponing the close of the school year, as determined by the Board.
