Comments: Not as many PR's as we would have liked, but the meet ran off very fast and with only 10 boys and 7 girls competing we were stretched pretty thin. Still we had several near PR's and put ourselves in good position for the Regional Meet at Valley Heights. The Boys 4X800 made a big move, improving by 16 seconds and pulling off an upset over Silver Lake who came in with a time 20 seconds faster than us. We think we'll have more athletes stepping up at Regionals. We'll have several events with potential to get to State and are looking forward to the opportunity.
