Ability to oversee student field experiences in career area assigned

Strong organizational, communication, and interpersonal skills

**Experience:**

3 years of wage-earning experience in the area of certification

**Major Responsibilities and Duties:****Instructional Strategies**

1. Develop and implement lesson plans that fulfill the requirements of district's curriculum program and show written evidence of preparation as required. Prepare lessons that reflect accommodations for differences in individual student differences.
2. Plan and use appropriate instructional and learning strategies, activities, materials, equipment, and technology that reflect understanding of the learning styles and needs of students assigned and present subject matter according to guidelines established by Texas Education Agency, board policies, and administrative regulations.
3. Conduct assessment of student learning styles and use results to plan instructional activities.
4. Work cooperatively with special education teachers to modify curricula as needed for special education students according to guidelines established in Individual Education Plans (IEP).
5. Work with other members of staff to determine instructional goals, objectives, and methods according to district requirements.

6. Plan and assign work to instructional aide(s) and volunteer(s) and oversee completion.
7. Work with students to build the FFA program through leadership strategies.
8. Participate in state, county, and other local fairs with FFA members in various contests, including, but not limited to, Agricultural Mechanics, raising and showing animals, etc.

**Student Growth and Development**

9. Conduct ongoing assessment of student achievement through formal and informal testing.
10. Assume responsibility for extracurricular activities as assigned. Sponsor outside activities approved by the campus principal.
11. Present a positive role model for students; support mission of school district.

**Classroom Management and Organization**

12. Create classroom environment conducive to learning and appropriate for the physical, social, and emotional development of students.
13. Manage student behavior in accordance with Student Code of Conduct and student handbook.
14. Take all necessary and reasonable precautions to protect students, equipment, materials, and facilities.
15. Assist in selecting books, equipment, and other instructional materials.
16. Compile, maintain, and file all reports, records, and other documents required.

**Communication**

17. Establish and maintain a professional relationship and open communication with parents, students, colleagues, and community members.

**Professional Growth and Development**

18. Participate in staff development activities to improve job-related skills.
19. Comply with state, district, and school regulations and policies for classroom teachers.
20. Attend and participate in faculty meetings and serve on staff committees as required.

**Other**

21. Comply with federal, state, and local regulations related to the occupational area assigned.
22. Follow district safety protocols and emergency procedures.
23. Due to the nature of Agricultural Education, frequent trips throughout the state, county and local areas will be required.

24. Work days will be irregular and compensated through mutually agreed upon terms.

**Mental Demands/Physical Demands/Environmental Factors:**

**Tools/Equipment Used:** Personal computer and peripherals; standard instructional equipment

**Posture:** Prolonged standing; frequent kneeling/squatting, bending/stooping, pushing/pulling, and twisting

**Motion:** Frequent walking

**Lifting:** Regular light lifting and carrying (less than 15 pounds); may lift and move textbooks and classroom equipment

**Environment:** Work inside, may work inside and outside; regular exposure to noise

**Mental Demands:** Maintain emotional control under stress; work prolonged or irregular hours
