October 5, 2022

Here we are in the start of Autumn in our beautiful part of East Texas! The air temperatures still get a little warm, but the cooler temperatures add a little smile to our faces! The school year is moving along at a good pace, as well!

As such, we are focusing on Academics, Behavior, and Social growth of all students. We are making forward progress on quality instruction that helps our students both learn and be able to show mastery on the state tests at the end of the year. Implementing the Honor Code (Respect, Responsibility, Honesty, and Kindness) gives us great forward momentum in daily decorum and social development. I can see evidence of this growth in and among our students from PK through 12th grade.

We are proud of your children! Yes, they still act like kids, but they do so in an environment that helps reinforce the high expectations you have for them at home. We do NOT raise your kids. We HELP you raise your kids by working with them to see them develop as fully as possible regarding academics, behavior, and social growth. We appreciate the great effort you've invested in your kids. We take our responsibility for their development seriously and with high expectations.

Please enjoy the changing of the seasons here in East Texas. Please enjoy your children and the great young people they're becoming. Go Bulldogs!

Respectfully,

Dr. Scott W. Davis, Interim Superintendent
