

TUITION POLICY

The Dresden Community has an exclusive Agreement with RSU #2 to send all 6th – 8th grade students to Hall-Dale Middle School unless a Superintendent's Agreement is granted by both superintendents involved in the situation, i.e. the RSU #2 Superintendent and a Superintendent of a receiving school. A student may be placed in another school through the IEP Team process to meet specific special needs.

The RSU will pay tuition to approved secondary schools for 15% of Dresden resident 9th – 12th grade students. The amount of tuition paid will be the amount that is determined by the State of Maine but will not exceed the tuition rate calculated for Hall-Dale High School. The tuition will be paid only upon receipt of the RSU #2 (Dresden) tuition residency form completed by the parent/guardian with documented proof of residency, identification and an approved Tuition Application on file at the RSU Central Office.

Absent the required documentation RSU #2 will have neither the obligation nor responsibility to pay the tuition of any child in question. The responsibility for tuition payments to receiving towns will be solely the responsibility of the parent/guardian.
