

Tecumseh Public Schools New Student Enrollment Forms

Important Note: If you have a child/children who **were not enrolled at Tecumseh Public Schools at the end of the 2020-2021 school year**, use the form links below to begin the process of enrollment.

First, select the grade level that your student is going to be enrolled in for the 2021-2022 school year, copy and paste the link into a new browser window, and follow the on-screen directions.

Someone from that school site will be in touch with you soon to discuss enrollment options with you.

If you have more than one student enrolling this coming year at Tecumseh, make sure to fill out a form for each one of your children for the grade level they will be attending. If you have questions, don't hesitate to call or email your child's site(s) using the contact information that is found below. Thank you!
