# COVID-19 Update

May 14, 2021

Bronco Family,

In order to continue with in-person instruction, we must all be diligent in our actions concerning personal hygiene and healthy habits.

**Please continue to use masks, practice social distancing, and wash your hands often.** The COVID-19 virus is widespread and presents a real threat to our in-person instruction. We believe that healthy habits, including wearing masks, gives us the best chance to reduce exposure and continue with in-person learning.

It is our intention to be transparent regarding the COVID-19 related incidents at DCS.

The table below shows the number of individuals excluded from school due to exhibiting or reporting COVID symptoms, positive cases, and close contacts (exposures). The table is a single day snapshot each week on Friday.

## Current Active COVID-19 Situations as of May 14, 2021
