PCPS is currently engaging in the strategic planning process to develop a new five-year plan. A strategic plan outlines the goals of the division and identifies strategies that will enable the division to reach those goals.

Feedback from a variety of stakeholders is important to this work. Please take a moment to complete this short, anonymous survey to provide us with feedback as a committee of stakeholders develops a new strategic plan.

It is anticipated that a draft of the plan will be made available for review prior to being approved by the PCPS School Board in May of 2023.

To access the survey, click [HERE](#).

The survey will close at 5:00 pm on Friday, January 13, 2023.

We thank you in advance for your feedback and time.
