

Wynnewood Athletic Parent,

We are doing a very simple and exciting fundraiser this year. The only help we need from you is to assist your athlete in coming up with fans (contacts) that will support them and everyone here at Wynnewood Athletics.

Each student will provide at least 20 contacts...25 would be phenomenal, however, 20 is the mandatory minimum.

We will do a 40 minute "live" pledge event, telethon style. On the day of the event, each student will call their 20 to 25 contacts and ask for a donation. This is done as a competition and gets all the students involved. It is fun and exciting and easy for everyone.

A set of instructions will be coming home with your student before we run the event. Your student will probably need your help in acquiring the emails and cell numbers of the 20 to 25 contacts. These contacts need to be the people in your lives that would love to support them and their team(s). That is your role in this fundraiser. Your help will be key to ensuring the success of this fundraising effort for our athletic program.

We will be having our live event on August 30th during the school day. The junior high athletes will do the telethon during 6th period weights and the high school athletes will do the telethon during 7th period weights. Thank you in advance for helping us have our best fundraiser ever!

Together we are...SAVAGE STRONG!!!

Coach Jones

Go Savages!!!
