

RECHARGE At-Home Program Schedule

Each At-Home Instructor will lead their participants through the daily schedule below. Each day, a new Recharge module will be used. The order of modules will be: Open Mic, Duck Chuck, SolarBot, Road Rally, Recharge Remix. For camps offering both in person and at home participation, the At-Home Instructor may be asked to assist with base camp, lunch or other activities if needed.

Please refer to your program team chart for specific team level requirements.
