

IPM 5 Day Notification
May 18th, 2021

The Brewer School Department has authorized treatment of the playground areas at BCS for ticks.

Weather permitting, Green Thumb Lawn Service will be performing the application on Sunday, May 23rd 2021 with a rain date of Saturday, May 29th 2021. Please respect all postings, keep off all treated areas during the application and until dry.

The chemical being applied is Bifenthrin, EPA #34704-955.

Please contact Lucas Graychase, Brewer School Department's Integrated Pest Management Coordinator with any questions at 207-989-8664.
