### **WELCOME!**

### **AGENDA**

Went over what is to be expected during a safety meeting:

- OSHA requires and we qualify for having a safety committee
- First priority is to attend the meetings, your attendance is necessary
- Overview of Inspections, building and playground safety – video link provided in minutes  
New asphalt has resolved many of our safety issues on playground and parking lots.
- Overview of accident reports

### **ACCIDENTS & INCIDENTS:**

Follow up on situations from accident reports. Discussion of three incidents:

- Staff member in gym, (ball to hand, raised hand to block ball)
- Staff member in hallway, (heard “pop” in knee, sudden movement)
- Students involved in accident “chin to head”

### **SAFETY TRAINING:**

Review Video Training: [Identifying Hazards](#) (25:31)
