

Oh, the Places You'll Go!

As a Norwich City School District Alumnus, you are in a unique position to help inspire our current students to explore and believe in their futures. Won't you fill out the form on the back and let our students know a bit about the career path you have taken in life? A digital photo of yourself would be a wonderful addition as well.

I will edit the forms, add your photo (and your graduation photo), and display the finished posters in the hallways, in a binder held in the library, and on our district's High School Library webpage.

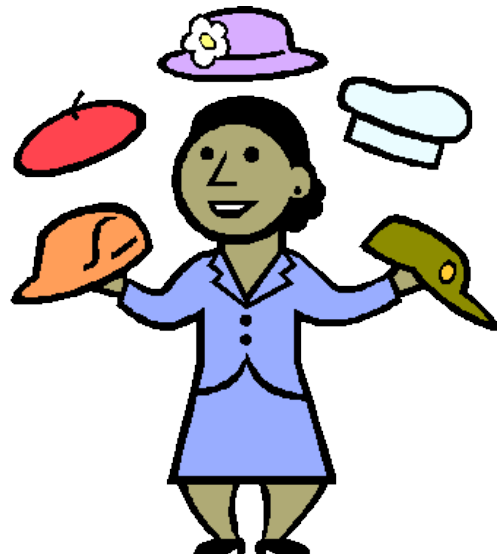

With your help, our students might be motivated to consider career paths that they hadn't considered previously. So, whether you are a baker, tailor, or candle-stick maker, we want to hear from you!

(Please note that returning this form indicates your permission to post this information as indicated above. Any contact info you provide will be held in confidence.)

Thank you,

Ms. Lorry Chwazik,
MS/HS Librarian
