

Kristin Fennell joins us this year as the 9th grade Language Arts and Keystone teacher at the high school. Kristin graduated from the University of Arkansas – Fort Smith. This is her second year in education and comes to us from Van Buren Freshman Academy. Kristin and her husband were both raised in Logan County and have one daughter. Mrs. Fennell chose Paris because “I love the small, close-knit community and being in a District where I can get to know all of my students.”
