General Rules

- People with a communicable disease, open sores, wounds, and/or cuts cannot be allowed in the pool.
- Shower before entering the pool and after the use of toilet facilities.
- Children under 8 years old and those unable to touch/swim without assistance in the big pool, must be accompanied by a person 14 years of age or older.
- Glass containers are not allowed inside the locker rooms or fenced pool area.
- Food and beverage may be enjoyed on the grass or on the pool deck area away from the water. Please stay behind the yellow line while enjoying your food and drink.
- Tobacco and alcoholic products are not permitted at the pool or anywhere on school grounds.
- Abusive, offensive, or profane language will not be permitted.
- Pets are not allowed inside the fenced pool area.

Pool Rules

- Only children 7 years of age or younger are allowed to swim in the baby pool. It is also important to remember that because there is no lifeguard on duty in the baby pool. All children using this pool must be **directly supervised** by a person 14 years of age or older.
- Infants and small children requiring diapers and using the baby pool or large pool must wear swimmer diapers (available at the front desk for \$0.50).
- Personal lifejackets are allowed in all areas of the pool. Other flotation devices or swimming aids can be used at the shallow end of the pool only.

***Children should never be left unsupervised in or near water even if they are wearing a swimming aid. These devices are only to be used under the direct supervision of an adult.**

- To avoid choking, we cannot allow anyone to chew gum in the pool.
- For sanitary reasons, spitting water, blowing noses, etc. cannot be allowed in the pool.
- Swim fins and masks can be used in all areas of the pool except on the diving boards.
- Soft toys such as swoosh balls may be used in the pool.
- To avoid mistreatment of property, we ask that you do not hang on the ropes or diving boards.
- Flips and back dives off the edge of the pool cannot be permitted.
- Please use ladders for entering and exiting the pool only.
- Anyone under the age of 14 will be asked to take a “Deep Water Test” before being allowed to use the deeper areas. (Please ask a lifeguard during a scheduled break)
- The School District of Mondovi and the Mondovi Swimming Pool are not responsible for lost, stolen, or damaged personal property used or left at the pool.

Diving Board Rules

- One person is allowed on the diving board at a time.
- One bounce is allowed on the board.
- Sitting on the diving board is not allowed.
- Go straight off the end of the diving board.
- Swim to the nearest ladder after going off the diving board.
- If a stunt off the board looks dangerous to a lifeguard, the lifeguard may not permit the stunt to be performed again for safety reasons.
- When the orange cones are placed on the boards, this means they are closed to allow open swim in the deepest area of the pool.

NOTE: Please remember that all rules are in effect to protect the safety of all those who use the pool as well to comply with State Codes.

Behavior Plan

1. First offence: verbal warning/reminder that their action is not acceptable.
2. Second offence: Child will take a break until the next guard rotation or when the guard has a chance to discuss the behavior with the child.
3. Third offence: Child will be asked to leave the pool for the day after discussing their behavior with a guard.

***These are general guidelines for rule infractions. Actual order and length of consequences are left to guard discretion based on the severity of the offenses.**

Inclement Weather/Pool Closure Protocols

The pool may close under the following conditions:

- When the air temperature is less than 60 degrees F.
- In the occurrence of an electrical storm (thunder and/or lightning) the pool will remain closed for a minimum of 30 minutes, from the last occurrence, to make sure conditions are safe.

***If the pool closes due to inclement weather or cold temperatures, it will be posted on the Mondovi Swimming Pool's Facebook page.**

- In cases where fecal matter and/or vomit are found in the pool water, we will need to close in order to decontaminate the water.
