

Wednesday, May 19, 2021
Andrew Vining, Interim. Superintendent

FOR IMMEDIATE RELEASE

Dear RSD Families,

New guidelines set by the Division of Elementary & Secondary Education (DESE), in the [Executive Summary of the Guidebook for Digital Learning](#) have required schools including RSD to have their virtual learning options approved for the 2021-2022 school year.

In response RSD has submitted a Digital Learning Plan to DESE with these two options for all of our students.

RSD students will have the opportunity to choose either on-site (in the classroom) learning or virtual learning through our Russellville Cyclone Virtual Academy, RVCA. If your family is interested, please try to register for RCVA by May 28, 2021.

The current “Option B” choice for 8th-12th grade students will no longer be offered. If you do not enroll your student in RCVA, your student will automatically be enrolled for on-site learning at their school campus.

To learn more about Russellville Cyclone Virtual Academy please contact Bryan Swymn, Digital Learning Supervisor for RVCA, at 479-219-5355, visit the [RCVA website](#), or complete this link to register [RCVA Enrollment Form](#).

Sincerely,

Andrew Vining, Interim Superintendent of Schools
