

Fundraiser for Brad Hendrickson

Thursday, May 20th (TOMORROW NIGHT) at the Stevens Commons in Hallowell (4:30-9:00pm).

Brad Hendrickson, BH Builders, and the Hendrickson Family are in the midst of an incredible fight against Cancer and they need our love and support. Brad is a 1984 graduate of Hall-Dale and has always supported the Hall-Dale community by sponsoring our sports teams, the gym renovation, and other requests for funding. He also has regularly supported Hall-Dale Youth Soccer, basketball, and HD Little League.

The Hall-Dale Middle/High School and St Michael's School are partnering with the Bulldog Strong Foundation to rally our communities to help support the Hendrickson family. To ensure access to the greatest treatment and care, the family will be partnering with MD Anderson in Texas who is a National Leader in Cancer care. Let's use this evening to show them the love and support they have always given us.

The evening will be filled with great activities: Corn Hole Games, Soccer, Basketball, Volleyball and Live Music. Beverages from Quarry Tap Room will be onsite and Grilling Stations with great food options. .

David Morris, and his Modern Band, will perform along with Brant Miller's band Calypso Soldiers.

Customized T-Shirts will be on site for purchase (\$20).

Please bring your families & friends to the event and know all are welcome.
