## **JOHN GLENN HIGH SCHOOL NAMED A BEST HIGH SCHOOL IN AMERICA BY U.S. NEWS AND WORLD REPORT**

May 19, 2021

We are proud to announce that U.S. News and World Report recognized John Glenn High School as one of the best high schools in America, and as the highest ranking school in Bay County. All high schools are ranked based on their performance on state-required tests and college preparation, and John Glenn was awarded due to their high academic achievement and college readiness.

The Best High Schools rankings identify the country's top-performing public high schools. According to U.S. News and World Report, the goal is to provide a clear, unbiased picture of how well public schools serve all of their students – from the highest to lowest achieving – in preparing them to demonstrate proficiency in basic skills as well as readiness for college-level work.

It takes a great staff, dedicated student body, supportive parents, and an amazing community to achieve at a high level, and we feel we have all of these in Bangor Township Schools. We continue to be focused on preparing our students for the journey after high school, and we are extremely humbled to be recognized by the U.S. News and World Report.
