Dear WUSD Families,

The Covid-19 Pandemic, as we know it, could soon begin a gradual fade into memory. Now that the light at the end of the tunnel is near us, we need to support vaccination efforts and make sure to remain healthy to have a strong return to full in-person instruction in August 2021. On May 13th, 2021 the CDC updated its mask guidance stating:

Fully vaccinated folks can resume activities without wearing a mask or staying 6 feet apart, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.

This is great news that reinforces our optimism as we get slowly back to normalcy. However, WUSD is regulated by the California Department of Public Health, not the CDC. The State should adopt the new CDC guidance on masking requirements on June 15, 2021, when California will fully open its economy. Until then we will keep our current masks and social distancing policy, therefore regardless of vaccination status, face coverings are required indoors and outdoors.

Once California moves beyond the *Blueprint for a Safer Economy*, everyday activities will be allowed and schools would conduct full-time, in person instruction, in compliance with Cal/OSHA emergency temporary standards and public health guidelines. We have all worked hard for this moment and it will be a great milestone on our way towards the 2021-22 school year.

Sincerely,

Jeremy Decker
