S.O.A.R.ing to Success!

Eastside students joined staff and parents to develop ideas about how they can succeed in school and reach the goals in math and reading. Here are their ideas to make connections between learning at home and school.

- 🍏 Set learning goals for myself.
- 🍏 Talk about and use new vocabulary words.
- 🍏 Read and practice my math facts every night.
- 🍏 Complete my homework every night.

At Home

Eastside School parents joined staff to develop ideas about how families can support student success in Reading and Math.

- 🍏 Use the newsletter and planners to discuss my child's learning goals and use the teacher's materials to support my child's learning at home.
- 🍏 Read with my child two times a week and talk about the story.
- 🍏 Attend Title I Math and Reading Nights
- 🍏 Encourage my child to read every night independently

Eastside Elementary School is committed to communicating with families about student learning. Some of the ways you can expect communication are:

- 🍏 Weekly classwork folders
- 🍏 Newsletters
- 🍏 Parent/Teacher Conferences in the Fall/Spring or as needed
- 🍏 School-wide automated phone messages
- 🍏 Email, Text, and Class Dojo
