Fifth Grade Focus Title I School-Parent- Compact for Student Achievement

2022-2023

Teachers

Mr. Zachary Holmes

Mrs. Marie Dove

Mr. Erik Wood

Teachers, Parents, and Students

S.O.A.R.ing to Success!

The School-Parent Compact

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students meet grade level standards.

Eastside students joined staff and parents to develop ideas about how they can succeed in school and reach the goals in math and reading. Here are their ideas to make connections between learning at home and school.

-  Set learning goals for myself.
-  Talk about and use new vocabulary words.
-  Practice my math facts every night.
-  Complete my homework every night.

At Home

Eastside School parents joined staff to develop ideas about how families can support student success in Reading and Math.

-  Students will attempt math problem of the week with links provided with support.
-  Attend Title 1 Math and Reading Nights.
-  Read 30 minutes nightly from self selected text.
-  Develop a comprehensive variety of reading materials for independent reading.

Eastside Elementary School is committed to communicating with families about student learning. Some of the ways you can expect communication are:

-  Weekly classwork folders
-  Newsletters
-  Parent/Teacher Conferences in the Fall/Spring or as needed
-  School-wide automated phone messages, email, texts, and Class Dojo
