

The poster features a light blue background decorated with various fruit illustrations including pears, pumpkins, watermelon slices, bananas, and apples. A large, dark teal, irregular shape in the center serves as a backdrop for the text.

# CAMP

## *Creative and Analytical Math Playground*

### 2021

A summer camp of fun, friends, and games that will include opportunities for intervention as well as extensions in math for students currently in grades 5 - 7!

**June 14-17 and 21-24, 2021**

**9:00am - 11:30am**

Parents are responsible for transportation

**West Valley School**

**Register by Friday, June 4th**

Join our 8-day camp jam-packed with exciting games and fun activities that lead us to discovery about math around us!
