Principal's Message

Dear Families,

We hope you have enjoyed this gorgeous week! As Dr. Marsden mentioned in his email yesterday, mask restrictions have been lifted and our students are no longer required to wear masks at recess or during outdoor physical education classes. Students and staff will continue to wear masks in the building until further notice. While it is amazing to be able to see those smiling faces, students/staff always have the options to remain masked.

- Last Friday, our staff made great progress in the student placement process. We are continuing to finalize and will be sharing information in the next couple of weeks regarding the placement notification process for this school year.
- Thank you to all who contributed to the Cradles to Crayons fundraising drive!
- Field Day is coming (June 4th) - Hooray! Mr. Grace and Mrs. Paulik are finalizing plans for our in-person Kindergarten and Grade One students as well as our Cohort D students. It's going to be a great day!
- The Rolling Rally for our graduating class is scheduled for June 5th. See below for more information.
