Cool School Summer Camp

July 6 - 29, 2021

8:30 AM - 12:30 PM

Cool School Summer Camp will be offered on all PBSO campuses, including the Dollarway sites. Students will attend the campus for which they are zoned. There will be lots of fun activities and a little learning too! Breakfast, lunch, and a snack will be served daily. Spaces are limited, and NO ONE will want to miss this AMAZING opportunity to address some possible learning loss and reacclimate ourselves to a face-to-face school experience

Please watch for registration information coming soon directly from your campus and on the PBSO website.

WHAT'S NEXT

PINE BLUFF SCHOOL DISTRICT

Effective July 1, 2021, the Dollarway School District will become part of the Pine Bluff School District. As we embark upon this journey together, some things may look and feel a bit different than they have in the past, however, we are all very excited about the many opportunities and choices that lie ahead for all of our students. Please see below for some important information related to Dollarway's transition.

All Dollarway campuses will remain in use for the 2021-2022 school year with a few small changes to our campus configurations. **Pre K classes will now be housed on the Forest Park/Greenville campus.** Fifth grade classes will be housed at James Matthews Elementary. Our school colors and beloved Cardinal mascot will also stay. All students will continue to attend classes on the campus dictated by their current address within the district boundaries.
